**ANZAC DAY:** If you haven't been to our school ANZAC Day service , it really is worth it! A moving service prepared and presented by the Grade 5/6 students. We are very proud of our connection with the local RSLs and valued their support and general interest in our school. Our service will take place next Wednesday 24th April at 10.15am, in the half court, with morning tea to follow. Everyone is welcome, please come along. Thursday 25th April is a public holiday

**2025 ENROLMENTS:** Grade 6 students received an information pack earlier this week and some forms to complete and return to school for transitions to secondary school. Enrolments are open for 2025 Prep enrolments. If you know of anyone with a prep for next year, please encourage them to come along and have a tour. We are holding Gumnuts, pre-prep programs throughout this term. See attached.

**INTERSCHOOL SPORT:** Interested students from Grades 3-6 are participating in Interschool Sport, starting next Tuesday. A note went home on Monday, it needs to be returned, along with \$10, by tomorrow. Please ask if you have any questions.

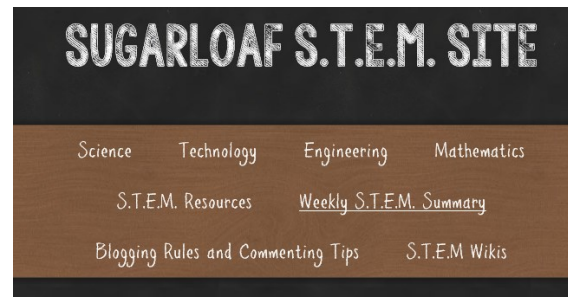

**CONGRATULATIONS:** Special wishes to Miss P and Tyrone as they get married tomorrow. We've had some fun this week celebrating Miss P's wedding and we wish them all the best for a long happy future!

**FAREWELL & THANK YOU:** We were very saddened to hear that our cleaner Dave had suffered a stroke on the weekend. Dave is a Kinglake local and has been the cleaner at MKPS for more than 20 years! Nothing was ever too much for Dave, and he did more than just clean the school– he was a happy face telling staff to go home if we were here too late in the evenings, our students (particularly those in after School Care) had a great rapport with Dave and enjoyed chatting and waving to him each afternoon. I spoke with Dave earlier in the week and he is in good spirits and was being discharged from hospital to stay with friends. Thankfully his stroke had no major effects, a bit of physio and he should make a full recovery. Dave has retired from his cleaning job here at MKPS to focus on his recovery and enjoy retirement. When Dave is feeling better we will get him up for a thank you assembly and a morning tea. We are very grateful for his contribution to MKPS!

**SCIENCE, TECHNOLOGY, ENGINEERING & MATHS**
