Sugarloaf STEM Blog

This week we moved into the third step of the design process - Prototyping. We made prototypes of designs we'd ideated in the week prior and came up with some interesting designs. We learned that making prototypes help save us time and money when coming up with our final product. The senior students learned about how to make designs that work to solve a specific problem. They then designed prototypes either with cardboard or on Tinkercad so they could 3D print them!

CONGRATULATIONS TO STEM AWARD WINNERS FOR THIS WEEK-

- P/1– Evie
- 1/2– Toby
- 3/4– Gracie
- 5/6– Araliya

HOW THE CURRENT INDUSTRIAL ACTION AFFECTS MIDDLE KINGLAKE PRIMARY SCHOOL STUDENTS AND STAFF

Supporting Our Students. Supporting Our Schools.

The Australian Education Union (AEU) is taking industrial action to stand up for every student and every school. Here's why this matters for Middle Kinglake Primary School families.

THE FACTS

Victoria is consistently one of the **lowest funded** states for public schools.

Victorian public schools receive about **\$2,300 less per student** than the Australian average.

The gap isn't just teachers, it applies to **Education Support staff, Business Managers & Principals.**

Victorian school staff are **paid less** than all other Australian states.

There is **significantly less money** coming into Victorian public schools to put towards your child's education compared to similar schools in other states.

WHAT THIS MEANS FOR VICTORIAN STUDENTS

The AEU is rallying for the **funding** and **support** Victorian students need to thrive and reach their full potential.

- ✔ **Smaller class sizes** so every student gets the attention they deserve.
- ✔ **Increased funding per student** to better resource classrooms and programs.
- ✔ **More support staff** to assist student learning and wellbeing.
- ✔ **Greater capacity for individualised planning** to meet each child's learning needs and goals.

These improvements will help create **stronger schools, better learning outcomes and brighter futures** for all Victorian students.

The AEU is rallying for **fair funding, respect and real support** so every Victorian student can get the education they deserve.

Stronger Schools. Fairer Funding. Better Futures.

Parents' & Friends' Association (PFA)

Dear Families,

Middle Kinglake Primary School's Parents' & Friends' Association (PFA) plays an important role in supporting opportunities and experiences for all students. Through fundraising efforts and parent involvement, the PFA is able to provide valuable extras that directly benefit our children and school community.

What Does the PFA Support?

The PFA funds many school activities that our parents and students love! Just a few of these things are:

- Buses for students to travel to and from swimming programs, sporting events, camp and excursions
- Consumables for events like the Ride2School day breakfast, the ANZAC Day ceremony morning tea and Mother's/Father's/Special Person Day events
- Catering and gifts for appreciation events such as World Teacher's and Education Support Staff Day
- Grade 6 end-of-year celebration activities as well as the Graduation ceremony & Grade 6/Year 7 reunion
- Additional student experiences and special visitors, including last year's inflatable incursion
- Various school ground items such as the garden beds/mulch and the ANZAC memorial

Historically the PFA has contributed funds toward larger purchases for the school, such as the stage used for the end of year Christmas Concert, outdoor picnic mats and upgraded student computers.

These contributions help ease costs for families and ensure students can participate in memorable school experiences.

Please come along to our
next PFA coffee & catch up
Monday 1st June, 9am
