

Dear parent/guardian,

Middle Kinglake Primary School is looking forward to another great year of teaching and learning and would like to advise you of Middle Kinglake Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wide range of subjects and special curriculum experiences, upgrade our IT equipment, complete the colourful line marking, subsidise camps etc.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Meagan Callander
Principal

School Council President
