SCIENCE, TECHNOLOGY, ENGINEERING & MATHS *with Chan, each Tuesday*

<https://sites.google.com/education.vic.gov.au/sugarloafstemblog/home>

This week we've looked at resources. The P/1s had a look at what resources are and how to deliver that around a town. The 2/3s took that knowledge and explored how to deliver and share these resources during different scenarios and challenges to a town. In grade 4/5/6 students had a go at budgeting as a politician or town manager and the different effects of investments and targeted spending on the success of their budgets. It was quite a shock to some students to see how their spending or saving worked out for them.

Congratulations to the students who received STEM awards this week-

Bodhi– for always looking to learn with great energy.

Sam– for his brilliant effort on his tsunami design.

Nick– for his brilliant design with its many elements this week.

Chaplain's Chat

With the school holidays only two weeks away, how are you planning to REST, RELAX and RESET?

I find it interesting that over the past two years we have been in a situation where we haven't had the freedom to move about as we would like, to go away spontaneously or to visit family or friend's interstate, to now have the liberty to do all of these things freely only to find that oh, wouldn't it be nice to stay home and relax!

I have a love for reading but have found myself over the years filling my days and spare time up with a lot of nothingness. Over the past few months, I have started to read again regularly as part of myself care. Books can take you on an adventure, teach you something about yourself, it can open your eyes to a world that is bigger than we can image. Reading helps you to stop, slow down and unwind.

As an extrovert, people energise me so planning to catch up with friends and family is an important part of my resetting. For others being around people will drain them quicker than the kitchen sink, so planning well is the key.

Whatever you plan this holiday season, make sure you factor in the balance that you all need, so as a family it will see you through next term. And most of all ENJOY what you do!

Have a great winter holiday and I look forward to hearing all about them.

Still collecting for Share the Dignity until the end of term. Please leave your items in the black container at the front office.

At the beginning of Term 3, I will start collecting food supplies again for the neighbourhood house.

- Shampoo
- Conditioner
- Roll-on deodorant
- Toothbrush
- Toothpaste
- Soap/Body wash
- Period products
