STATE-WIDE TRANSITION: Tuesday 8th December is Statewide Transition Day. Grade 6 students will spend the day at their secondary schools, 2027 Preps will have an additional transition session from 9.30-11am and MKPS students will move to their new grades with new teachers for the morning.

COLOUR RUN: Our Colour Run is on Thursday 10th December from 2.30 -3.30pm. It's a great opportunity to get organised early and grab your white t-shirt now- $4 from Target/Kmart. If your child is in OSHC that afternoon please send along a towel and a change of clothes– we get messy!

WORLD KINDNESS DAY: Last Friday was World Kindness Day and students thought about how they could be kind throughout the day. Here are some of the ideas. We have so many kind students at MKPS.

*Holding the door open for my friends.
*Helping in Music.
*Saying sorry.
*Helping Charlie when she was on the piano.
*Asking Hudson if he is ok.
*Playing with Charlie when he was sad.
*Helping Hunter pack his bag.
*Cleaning down the tables.
*Saying 'thank you for having us Jayden', in Music.
*Encouraging others during PE.
*I'm grateful for all of my friends.
*Letting people use my pencils and textas whenever they want.
*Saying thank you and please to others.
*Letting someone go in front of me in the line.

SPORTING SCHOOLS: Please note Sporting Schools will finish up on Monday 30th November. A huge thank you to Michael, Bec, Jaz and Steph for providing the free hour of sport each week– it is always very popular. Sporting Schools will recommence in term 1 next year!

PROFESSONAL LEARNING: Staff have just completed 4 sessions of PL conducted by our SEIL Rhonda Cole around the Victorian Teaching and Learning Model 2.0. It was great to meet with Kinglake PS and Flowerdale PS to share practice and improve our knowledge.
Mrs Burgess and Miss Aldous will be absent next Wednesday 25th at Career Start PL. Mrs Frazer will be in Grade 3/4 and Rose in 1/2.

SPECIAL VISITOR: It was lovely to see Mrs Lang and Archer on Friday. The students had lots of questions about Archer and some baby advice for Mrs Lang!

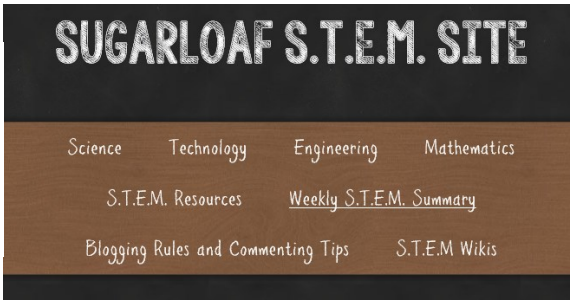

SCIENCE: Grades 3-6 did a great Science experiment this week. We have decided to include Science in our Friday Rotations next year.

This week we went hunting for habitat. We looked at a range of different animal habitats in the junior grades and learned about how the animals live in them. We learned that insects have different microhabitats and that these can be crucial to help them live. In the senior grades we continued to look at our biology handbooks and learn about an assortment of different topics, from biodiversity to foodwebs and developed a resource to teach people about them.

CONGRATULATIONS TO THIS WEEK'S STEM AWARD RECIPIENTS:
P/1– Amelia
1/2– Liia
3/4– Darcy
5/6– Araliya

DESIGN A BRICK!

Olivia and Carmen are putting their Change Maker Project into action and are excited to organise a **Brick Fundraiser for MKPS**!

Each MKPS family will have the opportunity to purchase a **personalised brick**, which will be used to create a beautiful pathway around the OSHC garden area at the front of the school.

This is a wonderful opportunity to leave your own special mark on MKPS. Your brick could feature your **family name, children's names, dates of attendance** or another meaningful message to commemorate your connection with our school.

We will also be opening the fundraiser to the **wider local community**, providing an opportunity for past families, former students, community members and anyone who would like to support MKPS to purchase a brick and become part of this lasting project.

The completed pathway will not only enhance our OSHC garden area but will also create a lasting reminder of the families and community members who have been part of the MKPS journey.

Help us build something special – one brick at a time!
