STATE-WIDE TRANSITION: Tuesday 8th December is Statewide Transition Day. Grade 6 students will spend the day at their secondary schools, 2027 Preps will have an additional transition session from 9.30-11am and MKPS students will move to their new grades with new teachers for the morning.

COLOUR RUN: Our Colour Run is on Thursday 10th December from 2.30 -3.30pm. It's a great opportunity to get organised early and grab your white t-shirt now- $4 from Target/Kmart. If your child is in OSHC that afternoon please send along a towel and a change of clothes– we get messy!

SPORTING SCHOOLS: Please note Sporting Schools will finish up on Monday 30th November. A huge thank you to Michael, Bec, Jaz and Steph for providing the free hour of sport each week– it is always very popular. Sporting Schools will recommence in term 1 next year!

2027: We continue to plan for 2027! Catherine is finishing up as Library teacher after 20+ years at MKPS. Catherine's passion for library is second to none. She established a student library at MKPS years ago and the re-established after the 2009 bushfires. We thank Catherine for her work and dedication.

We are please to announce that Kathryn Buckland will join our staff in 2027. Kathryn will work 3 days in the P/1 room– team teaching with Mrs Mitchell, she'll do one day of Literacy Intervention and one day teaching Library. Miss Buckland will be here for the Statewide Transition day on Tuesday 8th December, to meet everyone.

BUSY BUSY: As we approach the end of the year, things are getting busy (busier)! Please keep up to date with information in the newsletter and on Facebook and ask if you have any questions.

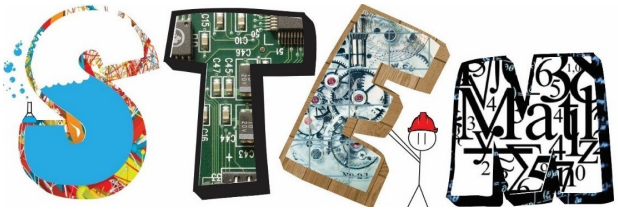

HELP NEEDED: We wondering if there is someone who could assist with pizza delivery for Grade 6 Graduation on Thursday 3rd December? We require pizzas to be collected from Little Italy and delivered to school by 6.30pm. Please let us know if you could assist.

MARKET PARKING: A huge thank you to the volunteers who assisted with the Market Parking on Sunday– a great fundraiser for our school. Thanks to Beth Westworth for coordinating and everyone who gave up some of their weekend. Much appreciated.

WOODLEIGH: We can't wait to welcome Woodleigh back to MKPS! Woodleigh are a school from Langwarrin who we have had a relationship with since the 2009 fires. Each year Woodleigh offer a Community Connections project where students come to MKPS for the week, camp on site and plan and run activities for our students. The rapport developed throughout the week between Woodleigh and MKPS students is lovely and there are always tears on the Friday when they leave. Look out for Woodleigh's Tent City that will be set up in our grounds when they arrive on Monday 7th December!

Sugarloaf STEM Blog

Ever wondered what it would be like to shoot spider webs or have spines on your back? We did this week, we looked at animal adaptations in all their forms. From simple physical adaptations in the junior years to chemical and behavioural adaptations in the senior years. We learned about how important it is for animals to have these specific adaptations and use them in their lives to maximise their survival.

IMPORTANT DATES!

DESIGN A BRICK!

Olivia and Carmen are putting their Change Maker Project into action and are excited to organise a **Brick Fundraiser for MKPS**!

Each MKPS family will have the opportunity to purchase a **personalised brick**, which will be used to create a beautiful pathway around the OSHC garden area at the front of the school.

This is a wonderful opportunity to leave your own special mark on MKPS. Your brick could feature your **family name, children's names, dates of attendance** or another meaningful message to commemorate your connection with our school.

We will also be opening the fundraiser to the **wider local community**, providing an opportunity for past families, former students, community members and anyone who would like to support MKPS to purchase a brick and become part of this lasting project.

The completed pathway will not only enhance our OSHC garden area but will also create a lasting reminder of the families and community members who have been part of the MKPS journey.

Help us build something special – one brick at a time!
